## For 65 years our mission has been to actively engage in serving the spiritual needs of visitors to the State Fair.

We provide a place to meet other Christians as well as offering a safe place for those who seek answers and help to life's questions. Visitors find a place to rest, pray with someone, participate in activities, hear great music and life changing words.

During the fair, Bibles and Christian materials are handed out to visitors. We share the Good News of Jesus Christ through a simple craft using the Wordless Story.

**Proceeds from golf tournament will go towards ministry expenses, welcome bags for carnival workers, kid's crafts, Christian entertainment and building maintenance.**
